SINCE 2000
AT YOUR SERVICE

Jović Viljuškari has been operating from Bačka Palanka, Serbia since 2000. We sell new and used forklifts, rent out machines, stock spare parts and service equipment on site. We are the authorised Baoli dealer for Serbia and the region.

Baoli is part of the KION Group — the same group as Linde and STILL. Drivetrains, controllers and chassis come from the same development as much more expensive brands, at a price adapted to our market.

BLACK FRIDAY 16–30 NOV 2026

Forklifts –2%, stackers –3%, electric pallet trucks –4%, manual equipment –5%. Each regular price in the catalogue is shown together with its Black Friday price. Discounts apply only to companies and sole traders.

VALIDITY

Regular prices are valid from 10 Nov 2026 until the next catalogue is published. Black Friday prices are valid from 16 to 30 Nov 2026. The Baoli EP 15-03 promotion is valid until 14 Nov 2026 or while stocks last. All prices exclude VAT.

1 **Choose equipment** from the catalogue or the website. The Black Friday price is shown with every item.

2 **Send an inquiry** to info@viljuskari-jovic.rs or call +381 21 604 05 05.

3 **Payment against pro forma invoice**, in dinars at the National Bank of Serbia middle rate on the day of payment.

Discounts cannot be combined with other promotions and special offers (EP 15-03 until 14 Nov, KBD 30 L3). Prices exclude VAT.

PROMOTION UNTIL 14 NOV 2026

Baoli EP 15-03 · capacity 1,500 kg · own weight 120 kg

ELECTRIC PALLET TRUCK 1,500 KG

BAOLI EP 15-03

An electric pallet truck at a price closer to a manual one. It carries one and a half tonnes and weighs only 120 kg itself — it fits in a goods lift, travels in a van and leaves no marks on sensitive floors. The lithium battery charges from an ordinary socket.

ELECTRIC FORKLIFTS FROM 1.8 TO 5 TONNES

Quiet operation, no exhaust fumes and less vibration — for closed warehouses, the food industry and shift work. Li-ion batteries need no maintenance or water top-up, and short opportunity charges during breaks extend the working day.

SERIES	CAPACITY	LIFT / BATTERY	REGULAR	BLACK FRIDAY

WHY ELECTRIC

Running costs — electricity instead of fuel, fewer wear parts.

Indoor use — no exhaust fumes, suitable for food and pharma.

Quieter and less vibration — less operator fatigue per shift.

Configured to order — mast, cab, battery and equipment to suit the application.

ELECTRIC 4–5 T Available from stock now: Baoli KBE 15 and KBE 20N — page 08.

"From" prices excl. VAT, for the base model of the series. Black Friday price 16–30 Nov 2026 (–2%).

IN STOCK
machines are ready for delivery

Used machines: serviced and repainted, warranty 6 months or 600 operating hours (ICE301: 12 months or 1,000 h). The used stock changes — check availability before visiting.

SERVICE, PARTS AND WARRANTY

A machine that stands still earns nothing. That is why every machine we sell comes with guaranteed service and spare parts stock — not just an invoice and a warranty card.

SERVICE

Regular maintenance and repairs at our service centre in Bačka Palanka or on site. We aim to be on site within 24 h.

Working hours
Monday–Saturday, 7:00–15:00
+381 21 604 05 05

SPARE PARTS

Parts for the machines we sell — batteries, chargers, wheels, pumps and wear parts — from stock or to order, with fast sourcing.

For the machines we sell
pumps, wheels, batteries and chargers, forklift tyres

WARRANTY

Warranty on new machines for businesses: electric and hand pallet trucks 12 months, Baoli Advantage forklifts 24 months or 4,000 operating hours, used machines 6 months or 600 h.

Rental and sales
sales, rental, service and parts in one place
